Subject: DRAFT AgBMP Rule (as amended April 25th)

Agricultural BMP Committee:

Attached is the AgBMP Rule as amended and approved by the Committee during the meeting held on April 25th. Danielle has proposed changes to the definition for unpaved roads and feed lanes in animal operations. She also put together a document with a basic overview of the rule. Please review the rule and send any comments to Danielle (dmd@azdeq.gov) and/or let her know if you approve of this version. Any comments will be incorporated into a final version, which will be sent to the Committee for the last review. Please contact me or Danielle if you have any questions.

Thank you,

Lisa
